PREP (Parish Religious Education Program) is designed for students in grades K-7 to further their Religious Education. The program assists children in learning and deepening their Catholic Faith as well as receiving the Sacraments. Students only need to attend PREP if they do not attend Catholic school. Registration is now OPEN. Forms are available on the parish website or by the office. This program runs on volunteers to teach in the classrooms. Manuals and lessons plans are already laid out and a curriculum is set for the year. Classes run mid-Sept to May on Wednesday evenings. The program is in need of a few more volunteers for each class as well as on a part time basis for substituting. Teaching experience is an asset but not necessary. If this is an area of interest or a way you feel you would like to help in our Parish, please contact Jennifer Pucek at prep@stannsabbotsford.ca before the end of August.
