Back in 2006 we saw the first discussions on **fixing the Church roof.** Priests and parishioners organized and planned various activities to carry on this project. However, after so many years have passed we are still dealing with the same issue...

Allow me to confess that upon our arrival, this project had been presented to me. Some steps were taken, and time has now arrived for it to be implemented. As the roof is leaking this has caused the stains on the ceiling which gives cause for urgency and need.

Dear Parishioners, roof work will begin in the next week or so and will go on for approx. one month. Please be patient, your understanding is much appreciated! As it was mentioned earlier, my appeal and prayer is that Project Advance this year will help us cover the expenses of such a big and necessary project.

**There I will meet with you... I will speak with you...**

**I will give you all my commandments Ex 25:22**

Looking forward to building stronger family ties with many more years under the Lord's protection, I invoke God's graces on you all.
