This is not an exhaustive list – we just want to get a sense of what you are most comfortable with and what you most enjoy doing. We want the St. Ann's Catholic Women's League to be a haven for all women of our parish – younger, older, moms, widows, wives, aunts, friends and sisters. We begin with the spiritual and express it outward in service to the people of God. Thank you for your honesty and for your feedback. We will prayerfully consider your responses and work hard to make our League a true sisterhood of believers! Thank you for your time and your honest input.
