Leading the League provides the following descriptive categories for members. Choose the category that applies.

Fully Active Members: These members pay dues, attend meetings, take part in business procedures with voting privileges, serve on committees and can take advantage of the many opportunities for personal and spiritual development offered by the League.

Partially Active Members: These members pay dues but cannot always attend meetings or functions. They are willing to help when needed, on a task-by-task basis. They want to be part of the organization and make a difference but have limited time to offer.

___ **Financially Supportive Members:** These members pay dues to support the national organization and their local council. They cannot be fully or partially active currently but may become more involved in the future. They wish to stay informed of events and educational updates through the League website and *The Canadian League*.

___ **Prayer Partners:** These members pay dues, taking part spiritually as prayer partners—either with a specific person or generally for all members. In turn, they are included in all League prayers.
