Student Conduct Policy and Procedure

Volunteer staff aims to provide the instruction, opportunities, and resources needed to develop each student's faith and individual relationship with God. Students are guided to be kind, safe, responsible, and respectful. We believe all students have a right to learn in an environment that is positive and emotionally safe. This Code of Conduct is meant to help students understand the expectations held for PREP students. Consequences for violations are intended to be appropriate and restorative.
The purpose of this Code of Conduct is to:
- establish and maintain a safe, caring and orderly environment
- build and maintain a set of positive norms, behaviors, attitudes, and values that determine how individuals act and interact
- help students to recognize that respectful behavior will impact positively on their careers, lifestyles, and futures
-build Godly character
Our PREP Code of Conduct follows our 5 B's:
Be Safe
Be Kind
Be Responsible
Be Respectful
Be Christ-like
It is also expected that students will maintain a classroom which is free of: cheating, theft, intimidation, violence, weapons, racism, harassment, illegal substances, and prejudicial behavior. Conduct by any student that negatively affects a class's operation, including disruption of the learning environment, shall be considered a breach of the "Code of Conduct", warranting appropriate forms of intervention that may include temporary removal from class.

PARENTAL STATEMENT OF COMMITMENT

The Church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their efforts to share the Faith with their children.

At Baptism parents make a solemn commitment to raise their children "in the practice of the Faith". Families are expected to actively participate in the life of the Church, especially in the Sunday Mass.

INITIALS

Parents support the religious education curriculum by:

- participating in parent sessions and working with their children at home
- ensuring their children attend class regularly and complete assigned work, and
- cooperating with the catechist, coordinator and the pastor to promote the best possible learning experience for their children.

I understand these expectations and will do my part in cooperation with the Parish Religious Education Program.
