

ST. JOHN THE BAPTIST PROVINCE

The Congregation of the Missionaries of St. Charles – Scalabrinians – is an international community of religious serving migrants and refugees of different cultures, religions and ethnicities in 32 countries and on five continents. The Congregation was founded on November 28, 1887, by Blessed John Baptist Scalabrini (1839-1905), bishop of Piacenza (Italy). It was the period of massive emigration from Italy and Europe toward the Americas. It was a far-reaching phenomenon whose importance Bishop Scalabrini was able to grasp in both its social and religious dimensions.

Our province is located in five countries (USA, Canada, Mexico, El Salvador and Guatemala). The provincial office is in Oak Park, Illinois located just outside Chicago. Our membership comes from 13 countries.

Our missionary focus for the last twenty-five years has been to be migrants with the migrants and to be in mission with people on the move along with a special priority for the poorest migrants. What has become very obvious is that as we have taken more missionary risks and made an effort to clarify our Charism we have been blessed with more and more vocations. The blessing is doubled by the fact that we are currently receiving the vocations that match our present need.
