Please be advised that a current phising/email scam is creating false email accounts for priests across Canada and the US. The messages sound like they are coming from priests you know (but they aren’t!) In many cases the messages are asking for something—a favour, a gift card, money, etc. Sometimes the messages mention sick relatives, parishioners, or some sad story. They are false.

If you receive this type of email message from a priest please do not respond in any way or attempt to contact the sender. Our priests do not require assistance and will not contact you privately for financial help.
