“For my yoke is easy, and my burden light.” (Matthew 11:30)

When we think of being good stewards, we may think that God is asking too much of us when He calls us to generously share our time, talent, and treasure. However, we must remember that we are not “owners” of anything, we are merely “stewards” of the gifts God has given us. All He is asking is that we give back a small portion, in gratitude, of what He has already given to us.

We ask that anyone using the kitchen for any reason should wash all dishes, dish cloths/towels and sweep the floor if there is any spillage. Do not leave empty glass jars in kitchen, take to the recycle depot. There is no one looking after the kitchen at this time so you are responsible for your own clean up. Thank you.
