The letters mentioned below are for everyone to sign regarding non funding a vaccine for Covid 19 made from abortion-derived cells.

Most Rev. Richard Gagnon, President of the Canadian Conference of Catholic Bishops, National President Anne Marie Gorman, and other clergy and scientists wrote to the Prime Minister. This letter recognizes the government's commitment to funding research for COVID19 vaccine, commends how it has handled the pandemic and urges it to develop a vaccine that does not create an ethical dilemma for many Canadians. The letter states, " On one hand, the wide uptake of vaccines is essential to protect citizens from the transmission of disease. On the other, a vaccine produced using abortion-derived cell lines raises conscience concerns for anyone who might be offered that vaccine and is aware of it's lineage, The dilemma will emerge if there are no alternative to vaccines developed with the use of human fetal cells lines obtained from elective abortions".

We are encouraged to write as private citizen to the Prime Minister Justin Trudeau Parl.gc.ca and the Minister of Health. You can ask friends and family to send this letter too. Copy of the letter can be cc to Andrew Scheer andrew.scheer@parl.gc.ca. Letter to the PM does not require stamp.

For CWL members who have email you have been sent a copy of each letter. We encourage you to make a copy or hand write these letters, sign them at the bottom of the letter, print your name and address. For those who do not have a printer, blank copies can be picked up at the parish office, filled out and left with Frances, as Noli has offered to mail them.
