PREP News: Janet Kaszonyi and Beena Thomas will be coordinating PREP for this year.

St. Ann’s would like to continue to offer PREP CLASSES for our families even during this uncertain time.

We are asking for your help in this very important missionary work with evangelizing and teaching the children of our parish. We need PREP volunteers for the sacramental grades of 2 and 7. If you can share a few hours in the week and enjoy working with children and are proficient with computers please contact the PREP office by email. The email is prep@stannsabbotsford.ca. You can also find it on the Church website under the Education tab and then PREP. PREP volunteers will be geared with personal protection equipment for their protection. Thank you in advance for stepping up with faith and trust.

The Church reminds parents that they are the primary educators of their children, especially in the Faith. The parish catechism program does not take the place of parents, but rather assists them in their efforts to share the Faith with their children.

We also would like to invite families who are interested in registering their children for PREP to download and fill out the registration form for PREP located again on the Church website.

Due to the BC Ministry of Health PREP will follow the same safety protocols set out for schools except we will be following the social distancing within the learning grades. Safety of children will be a priority.

Thus, we will be offering for all grades to register but there will only be classes held for grades 2 and 7. The other grades will have the option of receiving a book to take home to go through on their own and then submit the book in May for a completion status.

Grade 2 and 7 will have alternating classes with one week offered at the Parish Centre in person and the other week virtually online. This will fulfill the requirements for preparing to receive the sacraments. This will also reduce the risk involved for both children and volunteers and reduce the amount of cleaning required afterward.

Yes, PREP will not be the same as it has been in the past but we will get through this together with safe practices and faith.

“Love the Lord your God with all your heart, with all your soul, and with all your strength. Take to heart these words that I give you today. Repeat them to your children. Talk about them when you’re at home or away when you lie down or get up.”

ST. ANN’S PRESCHOOL has one space left for the 2020-2021 school year. Please contact Mrs. Nixon at 604-852-5602 ext. 8 for more information.
