

# ST. JOHN BREBEUF SCHOOL NEWS

## APRIL 2021

Christ is Risen, Alleluia! It's hard to believe this is our second Easter season in this pandemic. While we are saddened we still weren't able to gather all together to celebrate the resurrection of our Lord, we are very thankful for the hard work being done at all the parishes to arrange drive-in and outdoor masses, while continuing to offer live-stream options, so we are able to still participate in this beautiful liturgical season.

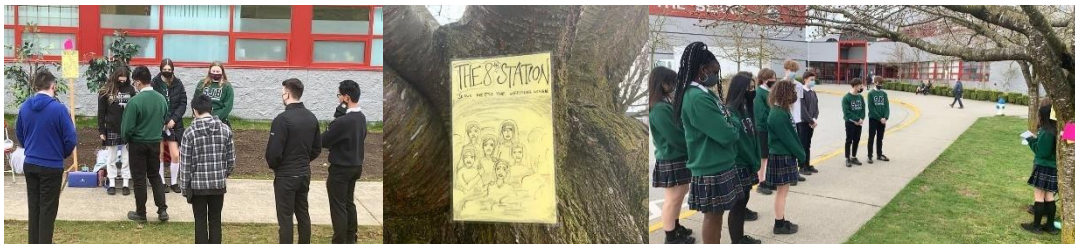

We are also grateful to our Campus Ministry team and Grade 11 students for putting together our Stations of the Cross service for Holy Thursday. The weather cooperated and the entire school was able to take part in the outdoor service and prepare for the Holy Triduum, which was truly a blessing.

Our school masses will go ahead this week as well and students will be able to receive both the sacrament of reconciliation and communion as we head into Divine Mercy Sunday- another blessing!

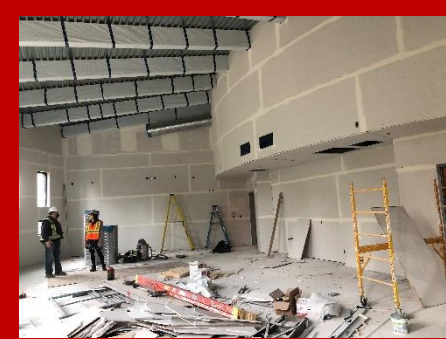

Speaking of blessings, the Phase III building project is progressing well. Drywall is mostly up, and painters are scheduled to start next week. While one should never make promises about construction (so we won't make any!), the plan is still to have Phase III open for the beginning of September. (See the side bar for a few photos and check our Facebook or Instagram pages for a timelapse video update of the project.)

Registrations for returning students for the 2021/2022 school year are underway, but we are still accepting applications for new students and families. If you have been thinking about Catholic Education, or want to learn more about what life is really like at SJB, we encourage you to watch our virtual open house videos ([www.stjohnbrebeuf.ca/openhouse](http://www.stjohnbrebeuf.ca/openhouse)) and then schedule a tour with our Principal. Come meet our school family and see how yours will fit right in!

As always, we thank all of you for your support of SJB and of Catholic Education.  
Happy Easter!

## PHASE III EXPANSION

The new expansion gives us a new art room, music and drama room and four new general classrooms!
