

ST. JOHN BREBEUF SCHOOL NEWS

JUNE 2021

Wow, the end of the school year is already here! This year has flown by and we are so proud of our staff, students and families for adapting to all the twists and turns that came our way due to the pandemic. We pulled together through difficult circumstances and managed to make the most of a highly unusual year. Way to go, Bears!

As the year winds up so do all the clubs and activities. Our Mountain Bike Club finished the season off strong with some amazing downhill rides throughout the lower mainland and our International Students enjoyed a beautiful hike up Ledgeview Trail in Abbotsford last weekend- it was a nice change for them to be all together outside the classroom.

We wish to also give a huge thank you to our amazing NET team members, who were active all year long in our school life here at SJB, and who, despite the many COVID protocols, were able to find ways to connect with our students in meaningful ways. We wish them all God's Blessings in their future endeavours.

We also want to thank and acknowledge our Campus Ministry team who worked so hard to put on grade-level retreats for our Senior grades. These retreats are always the highlight of the year and we were so glad our Campus Ministry team was able to find creative ways to make them happen.

Our Phase III Expansion is very, very close to completion! Mierau Contractors has done an excellent job, and are ahead of schedule. Phase III will be open and ready for use in plenty of time for September. Stay tuned to our social media feeds for tours once it's all complete!

And finally, we extend a huge congratulations to the SJB Graduating Class of 2021! Your final year here was nothing like anyone expected, but you pushed through with grace and smiles on your faces. We are so proud of you all and everything you've accomplished during your high school careers with us. As St. Ignatius of Loyola would say- go forth and set the world on fire! Congratulations again, Class of 2021!

ATHLETICS NEWS

This year has been unlike any other from an Athletic standpoint. No competitive games took place throughout the entire year, but it was great to see that students were still able to participate in other ways and came out to practices that were offered. We are hopeful that school sports will be running fully when we return in September.

Over the summer, we are hoping to run some volleyball and basketball open gyms and possibly a week long summer basketball camp. Watch for updates on our Athletics Instagram page (@sjb_athletics2021).

We also want to give a big shout-out to our Grade 12 Athletes who are graduating this year. It is unfortunate that they could not compete in their sport in the final year of high school, but we really appreciate everything that they put into athletics during their time at the school.

Grade 12 Athletes: Dominic Beltrame, Adam Bouwman, Olivia Buckle, Shania Buenafior, Malcolm Davey, Marijke Duralia, Yaw Taw Lah Emkee, Taryn Grandia, Chiara Grosjean, Jonathan Hargrave, Konrad Kowalczyk, Joshua Lehman, Millie Maldonado, Rachel MacDougall, Lily Taw, Alessandro Vazzaz, Samuel Wrayton.
