About today’s Gospel reading:

John the Baptist uses two titles for Jesus that are familiar to us, the “Lamb of God” and the “Son of God.” By using these titles, John the Baptist identifies Jesus’ ultimate purpose: to redeem sinful humanity. The Baptist sees before him a man who gets in line with sinners to be baptized even though he does not need to. He is the man who God sent into the world as the sacrificial lamb. The word “lamb” appears several times in the New Testament and always in reference to Jesus. This image of the lamb might surprise us: an animal that is certainly not characterized by its strength and hardness takes upon himself such an oppressive weight. The enormous mass of evil is removed and taken away by a weak and fragile creature, who is a symbol of obedience, docility and defenseless love, who goes to the point of sacrificing himself.

If you or a family member would like to visit or to receive the sacraments while in the hospital or at home, please contact the Parish Office at 604-852-5602. As many Catholics are unaware at the admitting interview, that without indicating that they are a Roman Catholic and would like a visit from a priest, their name will not be included on the hospital list.
