Flesh in his activities. Other prayers of the Church. They have to spare some time to read. They learn to pray with others through the art of prayer. The Church gives guidelines in four directives to help the soul to rid itself of all inordinate attachments, and, after disposing the soul, to know Jesus better personally, to know Him better, to understand Him better, and to love Him better personally, but to gain the ability to guide and direct others in prayer. He is the master of prayer. The Church gives guidelines in four directives to help the form the candidates spiritually. Christ the Word of God, The Word of the Cross: the Redemptive Sacrifice; The Word of the Cross: Spiritual Sacrifices; and The Word Made Flesh in the Womb of the Virgin Mary.

Word of God
It is important for the candidates to establish interior silence. This means that they have the ability to discern God’s will and others, to dialogue with God and others, to be in communion with others. It is the silent heart that is not being distracted by conflicts, hatred, and sins; a heart that is available to interact with God and others. St. Ignatius promoted this method in his Spiritual Exercises to have this silent and peace of heart to discern God’s will.
